# EMPLOYERS HOLDING FEDERAL CONTRACTS OR SUBCONTRACTS

The Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) enforces the nondiscrimination and affirmative action commitments of companies doing business with the Federal Government. If you are applying for a job with, or are an employee of, a company with a Federal contract or subcontract, you are protected under Federal law from discrimination on the following bases:

## Race, Color, Religion, Sex, Sexual Orientation, Gender Identity, National Origin

Executive Order 11246, as amended, prohibits employment discrimination by Federal contractors based on race, color, religion, sex, sexual orientation, gender identity, or national origin, and requires affirmative action to ensure equality of opportunity in all aspects of employment.

## Asking About, Disclosing, or Discussing Pay

Executive Order 11246, as amended, protects applicants and employees of Federal contractors from discrimination based on inquiring about, disclosing, or discussing their compensation or the compensation of other applicants or employees.

## Disability

Section 503 of the Rehabilitation Act of 1973, as amended, protects qualified individuals with disabilities from discrimination in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment by Federal contractors. Disability discrimination includes not making reasonable accommodation to the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, barring undue hardship to the employer. Section 503 also requires that Federal contractors take affirmative action to employ and advance in employment qualified individuals with disabilities at all levels of employment, including the executive level.

## Protected Veteran Status

The Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, 38 U.S.C. 4212, prohibits employment discrimination against, and requires affirmative action to recruit, employ, and advance in employment, disabled veterans, recently separated veterans (i.e., within three years of discharge or release from active duty), active duty wartime or campaign badge veterans, or Armed Forces service medal veterans.

## Retaliation

Retaliation is prohibited against a person who files a complaint of discrimination, participates in an OFCCP proceeding, or otherwise opposes discrimination by Federal contractors under these Federal laws.

Any person who believes a contractor has violated its nondiscrimination or affirmative action obligations under OFCCP's authorities should contact immediately:

The Office of Federal Contract Compliance Programs (OFCCP)  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, D.C. 20210

If you are deaf, hard of hearing, or have a speech disability, please dial 7-1-1 to access telecommunications relay services. OFCCP may also be contacted by submitting a question online to OFCCP's Help Desk at <https://ofccphelpdesk.dol.gov/s/>, or by calling an OFCCP regional or district office, listed in most telephone directories under U.S. Government, Department of Labor and on OFCCP's "Contact Us" webpage at <https://www.dol.gov/agencies/ofccp/contact>.

Title IX of the Education Amendments of 1972 prohibits employment discrimination on the basis of sex in educational programs or activities which receive Federal financial assistance.

## Individuals with Disabilities

Section 504 of the Rehabilitation Act of 1973, as amended, prohibits employment discrimination on the basis of disability in any program or activity which receives Federal financial assistance. Discrimination is prohibited in all aspects of employment against persons with disabilities who, with or without reasonable accommodation, can perform the essential functions of the job.

If you believe you have been discriminated against in a program of any institution which receives Federal financial assistance, you should immediately contact the Federal agency providing such assistance.

# EMPLEADORES QUE TIENEN CONTRATOS O SUBCONTRATOS FEDERALES

La Oficina de Programas de Cumplimiento de Contratos Federales (OFCCP, por sus siglas en inglés) del Departamento de Trabajo hace cumplir los compromisos de no discriminación y acción afirmativa de las empresas que hacen negocios con el gobierno federal. Si está solicitando un trabajo con, o es un empleado de una empresa con un contrato o subcontrato federal, usted está protegido(a) por la ley federal contra la discriminación en las siguientes bases:

## Raza, Color, Religión, Sexo, Orientación Sexual, Identidad de Género, Origen Nacional

La Orden Ejecutiva 11246, enmendada, prohíbe la discriminación laboral por parte de los contratistas federales por motivos de raza, color, religión, sexo, orientación sexual, identidad de género u origen nacional, y requiere acción afirmativa para garantizar la igualdad de oportunidades en todos los aspectos del empleo.

## Preguntar, Divulgar o Discutir Salarios

La Orden Ejecutiva 11246, enmendada, protege a los solicitantes y empleados de contratistas federales de la discriminación basada en preguntar, divulgar o discutir su compensación o la compensación de otros solicitantes o empleados.

## Discapacidad

La Sección 503 del Acta de Rehabilitación de 1973, según enmendada, protege a las personas calificadas con discapacidades contra la discriminación en la contratación, promoción, despido, pago, beneficios complementarios, capacitación laboral, clasificación, referencias y otros aspectos del empleo por parte de contratistas federales. La discriminación por discapacidad incluye no hacer adaptaciones razonables a las limitaciones físicas o mentales conocidas de una persona con una discapacidad que de otro modo calificaría y que es un solicitante o empleado, a menos que haga una dificultad excesiva para el empleador. La Sección 503 también requiere que los contratistas federales tomen medidas afirmativas para emplear y promover a personas calificadas con discapacidades en todos los niveles de empleo, incluyendo a nivel ejecutivo.

# PROGRAMAS O ACTIVIDADES QUE RECIBEN ASISTENCIA FINANCIERA FEDERAL

## Raza, Color, Origen Nacional, Sexo

Además de las protecciones del Título VII del Acta de Derechos Civiles de 1964, según enmendada, el Título VI del Acta de Derechos Civiles de 1964, según enmendada, prohíbe la discriminación por motivos de raza, color, u origen nacional en programas o actividades que reciben asistencia financiera. La discriminación laboral está cubierta por el Título VI si el objetivo principal de la asistencia financiera es la provisión de empleo, o cuando la discriminación laboral cause o pueda causar discriminación en la prestación de servicios bajo dichos programas. El Título IX de las Enmiendas de Educación de 1972 prohíbe la discriminación laboral por razón de sexo en programas o actividades educativas que reciben asistencia financiera federal.

## Estatus Protegido Como Veterano

El Acta de Asistencia para el Reajuste de los Veteranos de la Era de Vietnam de 1974, modificada, 38 U.S.C. 4212, prohíbe la discriminación laboral y requiere acción afirmativa para reclutar, emplear y avanzar en el empleo a veteranos discapacitados, veteranos recientemente separados (es decir, dentro de los tres años posteriores al su separación o liberación del servicio activo), veteranos en servicio activo en tiempo de guerra o insignia de campaña, o veteranos con medallas de servicio de las fuerzas armadas.

# Your Employee Rights Under the Family and Medical Leave Act

## What is FMLA leave?

The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with **job-protected leave** for qualifying family and medical reasons. The U.S. Department of Labor's Wage and Hour Division (WHD) enforces the FMLA for most employees.

Eligible employees can take **up to 12 workweeks** of FMLA leave in a 12-month period for:

- The birth, adoption or foster placement of a child with you,
- Your serious mental or physical health condition that makes you unable to work,
- To care for your spouse, child or parent with a serious mental or physical health condition, and
- Certain qualifying reasons related to the foreign deployment of your spouse, child or parent who is a military servicemember.

An eligible employee who is the spouse, child, parent or next of kin of a covered servicemember with a serious injury or illness **may take up to 26 workweeks** of FMLA leave in a single 12-month period to care for the servicemember.

You have the right to use FMLA leave in **one block of time**. When it is medically necessary or otherwise permitted, you may take FMLA leave **intermittently in separate blocks of time, or on a reduced schedule** by working less hours each day or week. Read Fact Sheet #28M(c) for more information.

FMLA leave is **not paid leave**, but you may choose, or be required by your employer, to use any employer-provided paid leave if your employer's paid leave policy covers the reason for which you need FMLA leave.

## Am I eligible to take FMLA leave?

You are an **eligible employee** if **all** of the following apply:

- You work for a covered employer,
- You have worked for your employer at least 12 months,
- You have at least 1,250 hours of service for your employer during the 12 months before your leave, and
- Your employer has at least 50 employees within 75 miles of your work location.

Airline flight crew employees have different "hours of service" requirements.

You work for a **covered employer** if **one** of the following applies:

- You work for a private employer that had at least 50 employees during at least 20 workweeks in the current or previous calendar year,
- You work for an elementary or public or private secondary school, or
- You work for a public agency, such as a local, state or federal government agency. Most federal employees are covered by Title II of the FMLA, administered by the Office of Personnel Management.

## How do I request FMLA leave?

Generally, **to request FMLA leave you must**:

- Follow your employer's normal policies for requesting leave,
- Give notice at least 30 days before your need for FMLA leave, or
- If advance notice is not possible, give notice as soon as possible.

You **do not have to share a medical diagnosis** but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You **must also inform your employer if FMLA leave was previously taken** or approved for the same reason when requesting additional leave.

Your **employer may request certification** from a health care provider to verify medical leave and may request certification of a qualifying exigency.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

State employees may be subject to certain limitations in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress.

## What does my employer need to do?

If you are eligible for FMLA leave, your **employer must**:

- Allow you to take job-protected time off work for a qualifying reason,
- Continue your group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
- Allow you to return to the same job, or a virtually identical job with the same pay, benefits and other working conditions, including shift and location, at the end of your leave.

Your **employer cannot interfere with your FMLA rights** or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

After becoming aware that your need for leave is for a reason that may qualify under the FMLA, your **employer must confirm whether you are eligible** or not eligible for FMLA leave. If your employer determines that you are eligible, your **employer must notify you in writing**:

- About your FMLA rights and responsibilities, and
- How much of your requested leave, if any, will be FMLA-protected leave.

## Where can I find more information?

# Sus derechos de personal según la Ley de Licencia Familiar y Médica

## ¿Qué es una licencia de FMLA?

La Ley de Licencia Familiar y Médica (FMLA, por sus siglas en inglés) es una ley federal que proporciona al personal elegible **licencias con protección del empleo** por razones familiares y médicas que califiquen. La División de Horas y Salarios (WHD, por sus siglas en inglés) del Departamento de Trabajo de EE. UU. hace cumplir la FMLA para la mayoría del personal.

El personal elegible puede tomarse licencias de FMLA de **hasta 12 semanas de trabajo** en un periodo de 12 meses por:

- El nacimiento, la adopción o la ubicación de hogar adoptivo de un niño o niña,
- Un problema grave de salud mental o físico que le impide trabajar,
- El cuidado de su cónyuge, hijos, hijas o padres con enfermedades mentales o físicas graves, y
- Ciertas razones que califican, relacionadas con la asignación de su cónyuge, hijo, hija, padre o madre en el servicio militar.

El personal que sea cónyuge, hijo, hija, padre, madre o familiar cercano de una persona cubierta en el servicio militar con una lesión o enfermedad grave **puede tomarse una licencia de FMLA de hasta 26 semanas de trabajo** en un solo periodo de 12 meses para cuidar a la persona en servicio.

Puede que usted tenga derecho a usar la licencia de FMLA en **un bloque de tiempo**. Cuando haya una necesidad médica o se permita por otro motivo, puede tomar una licencia de FMLA **de forma intermitente en bloques separados, o con un horario reducido** trabajando menos horas al día o a la semana. Lea la hoja informativa #28M(c) para obtener más información.

La licencia de FMLA **no es una licencia paga**, pero usted puede elegir, o puede que su empresa le exija, utilizar cualquier licencia paga proporcionada por la empresa si la política de licencias de su empresa cubre el motivo por el cuál necesita una licencia de FMLA.

## ¿Soy elegible para tomar una licencia de FMLA?

Usted es **elegible** si aplican todas las siguientes condiciones:

- Trabaja para una empresa cubierta,
- Ha trabajado para su empresa durante al menos 12 meses,
- Tiene al menos 1250 horas de servicio para su empresa durante los 12 meses previos a su licencia, y
- Su empresa tiene al menos 50 integrantes del personal dentro de las 75 millas desde su lugar de trabajo.

El personal de tripulación de vuelo tiene requisitos de "horas de servicio" diferentes.

Trabaja para una **empresa cubierta** si aplica una de las siguientes condiciones:

- Trabaja para una empresa privada que tiene al menos 50 integrantes del personal durante al menos 20 semanas laborales en el año actual o anterior,
- Trabaja para una escuela primaria o secundaria pública o privada, o
- Trabaja para una agencia pública, como una agencia gubernamental local, estatal o federal. La mayoría del personal está cubierta por el Título II de la FMLA, administrada por la Oficina de Administración de Personal.

## ¿Cómo solicito una licencia de FMLA?

En general, **para solicitar una licencia de FMLA usted debe**:

- Seguir las políticas regulares de su empresa para solicitar licencias,
- Avisar con al menos 30 días de anticipación que necesita una licencia de FMLA, o
- Si no es posible avisar con anticipación, avisar tan pronto sea posible.

Usted **no tiene obligación de compartir un diagnóstico médico**, pero debe proporcionar información suficiente para que su empresa pueda determinar si la licencia califica para la protección de la FMLA. Usted también **debe informar a su empresa si se tomó una licencia de FMLA anteriormente** o se aprobó por el mismo motivo al solicitar una licencia adicional.

Su **empresa puede solicitar certificación** de un prestador de atención médica para verificar la licencia médica y puede solicitar certificación de una exigencia que califique.

La FMLA no afecta ninguna ley federal o estatal que prohíba la discriminación, ni invalida ninguna ley estatal o local o acuerdo colectivo que proporcione mayores derechos de licencia familiar o médica.

El personal estatal puede estar sujeto a ciertas limitaciones al buscar demandas directas con respecto a licencias por sus propias condiciones graves de salud. La mayor parte del personal federal y cierta parte del congressional también está cubierta por la ley, pero está sujeta a la jurisdicción de la Oficina de Administración de Personal de EE. UU. o al Congreso.

## ¿Qué debe hacer mi empresa?

Si usted es elegible para una licencia de FMLA, su **empresa debe**:

- Permitirle que se ausente del trabajo con su empleo protegido, por un motivo que califique,
- Continuar su plan de cobertura grupal de salud mientras se encuentra de licencia, de la misma forma que si no estuviera de licencia, y
- Permitirle regresar al mismo empleo, o a un empleo virtualmente igual con el mismo salario, los mismos beneficios y otras condiciones de trabajo, incluidos los turnos y la ubicación, al finalizar su licencia.

Su **empresa no puede interferir con sus derechos de la FMLA** ni amenazar ni castigarle por ejercer sus derechos en virtud de la ley. Por ejemplo, su empleador no puede tomar represalias contra usted por solicitar una licencia de FMLA o cooperar con una investigación de WHD.

Tras tomar conocimiento de que su necesidad de tomar una licencia es por un motivo que califica según la FMLA, su **empresa debe confirmar si usted es elegible** o no para la licencia de la FMLA. Si su empresa determina que usted es elegible, su **empresa debe notificarle por escrito**:

- Sobre sus derechos y responsabilidades en virtud de la FMLA, y
- Qué parte de su licencia solicitada, si la hubiera, será protegida por la FMLA.

## ¿Dónde puedo encontrar más información?

Llame al 1-866-487-9243 o visite [dol.gov/fmla](http://dol.gov/fmla) para conocer más.

Si cree que sus derechos según la FMLA han sido violados, puede presentar una denuncia ante la WHD o presentar una demanda privada contra su empresa en la corte. **Escanee el código QR para conocer más sobre el proceso de denuncias de la WHD.**

## FOR WORKERS WITH DISABILITIES PAID AT SUBMINIMUM WAGES

This establishment has a certificate authorizing the payment of subminimum wages to workers who are disabled for the work they are performing. Authority to pay subminimum wages to workers with disabilities generally applies to work covered by the **Fair Labor Standards Act (FLSA)**, **McNamara-O'Hara Service Contract Act (SCA)**, and/or **Walsh-Healey Public Contracts Act (PCA)**. Such subminimum wages are referred to as "commensurate wage rates" and are less than the basic hourly rates stated in an SCA wage determination and/or less than the FLSA minimum wage of **\$7.25 per hour**. A "commensurate wage rate" is based on the worker's individual productivity, no matter how limited, in proportion to the wage and productivity of experienced workers who do not have disabilities that impact their productivity when performing essentially the same type, quality, and quantity of work in the geographic area from which the labor force of the community is drawn.

***Employers shall make this poster available and display it where employees and the parents and guardians of workers with disabilities can readily see it.***

### WORKERS WITH DISABILITIES

Subminimum wages under section 14(c) are not applicable unless a worker's disability actually impairs the worker's earning or productive capacity for the work being performed. The fact that a worker may have a disability is not in and of itself sufficient to warrant the payment of a subminimum wage.

For purposes of payment of commensurate wage rates under a certificate, a worker with a disability is defined as: An individual whose earnings or productive capacity is impaired by a physical or mental disability, including those related to age or injury, for the work to be performed.

Disabilities which may affect productive capacity include an intellectual or developmental disability, psychiatric disability, a hearing or visual impairment, and certain other impairments. The following do not ordinarily affect productive capacity for purposes of paying commensurate wage rates: educational disabilities; chronic unemployment; receipt of welfare benefits; nonattendance at school; juvenile delinquency; and correctional parole or probation.

### WORKER NOTIFICATION

Each worker with a disability and, where appropriate, the parent or guardian of such worker, shall be informed orally and in writing by the employer of the terms of the certificate under which such worker is employed.

### KEY ELEMENTS OF COMMENSURATE WAGE RATES

- **Nondisabled worker standard**—The objective gauge (usually a time study of the production of workers who do not have disabilities that impair their productivity for the job) against which the productivity of a worker with a disability is measured.
- **Prevailing wage rate**—The wage paid to experienced workers who do not have disabilities that impair their productivity for the same or similar work and who are performing such work in the area. Most SCA contracts include a wage determination specifying the prevailing wage rates to be paid for SCA-covered work.
- **Evaluation of the productivity of the worker with a disability**—Documented measurement of the production of the worker with a disability (in terms of quantity and quality).

The wages of all workers paid commensurate wages must be reviewed, and adjusted if appropriate, at periodic intervals. At a minimum, the productivity of hourly-paid workers must be reevaluated at least every six months and a new prevailing wage survey must be conducted at least once every twelve months. In addition, prevailing wages must be reviewed, and adjusted as appropriate, whenever there is a change in the job or a change in the prevailing wage rate, such as when the applicable state or federal minimum wage is increased.

### WIOA

The Workforce Innovation and Opportunity Act of 2014 (WIOA) amended the Rehabilitation Act by adding section 511, which places limitations on the payment of subminimum wages to individuals with disabilities by mandating the completion of certain requirements prior to and during the payment of a subminimum wage.

### EXECUTIVE ORDER 13658

Executive Order 13658, Establishing a Minimum Wage for Contractors, established a minimum wage that generally must be paid to workers performing on or in connection with a covered contract with the Federal Government. Workers covered by this Executive Order and due the full Executive Order minimum wage include workers with disabilities whose wages are calculated pursuant to certificates issued under section 14(c) of the FLSA.

### FRINGE BENEFITS

Neither the FLSA nor the PCA have provisions requiring vacation, holiday, or sick pay nor other fringe benefits such as health insurance or pension plans. SCA wage determinations may require such fringe benefit payments (or a cash equivalent). Workers paid under a certificate authorizing commensurate wage rates must receive the full fringe benefits listed on the SCA wage determination.

### OVERTIME

Generally, if a worker is performing work subject to the FLSA, SCA, and/or PCA, that worker must be paid at least 1 1/2 times their regular rate of pay for all hours worked over 40 in a workweek.

### CHILD LABOR

Minors younger than 18 years of age must be employed in accordance with the child labor provisions of the FLSA. No persons under 16 years of age may be employed in manufacturing or on a PCA contract.

### PETITION PROCESS

Workers with disabilities paid at subminimum wages may petition the Administrator of the Wage and Hour Division of the Department of Labor for a review of their wage rates by an Administrative Law Judge. No particular form of petition is required, except that it must be signed by the worker with a disability or his or her parent or guardian and should contain the name and address of the employer. Petitions should be mailed to: Administrator, Wage and Hour Division, U.S. Department of Labor, Room S-3502, 200 Constitution Avenue NW, Washington, D.C. 20210.

## EMPLOYEE POLYGRAPH PROTECTION ACT

The Employee Polygraph Protection Act prohibits most private employers from using lie detector tests either for pre-employment screening or during the course of employment.

### PROHIBITIONS

Employers are generally prohibited from requiring or requesting any employee or job applicant to take a lie detector test, and from discharging, disciplining, or discriminating against an employee or prospective employee for refusing to take a test or for exercising other rights under the Act.

### EXEMPTIONS

Federal, State and local governments are not affected by the law. Also, the law does not apply to tests given by the Federal Government to certain private individuals engaged in national security-related activities.

The Act permits polygraph (a kind of lie detector) tests to be administered in the private sector, subject to restrictions, to certain prospective employees of security service firms (armored car, alarm, and guard), and of pharmaceutical manufacturers, distributors and dispensers.

The Act also permits polygraph testing, subject to restrictions, of certain employees of private firms who are reasonably suspected of involvement in a workplace incident (theft, embezzlement, etc.) that resulted in economic loss to the employer.

The law does not preempt any provision of any State or local law or any collective bargaining agreement which is more restrictive with respect to lie detector tests.

### EXAMINEE RIGHTS

Where polygraph tests are permitted, they are subject to numerous strict standards concerning the conduct and length of the test. Examinees have a number of specific rights, including the right to a written notice before testing, the right to refuse or discontinue a test, and the right not to have test results disclosed to unauthorized persons.

### ENFORCEMENT

The Secretary of Labor may bring court actions to restrain violations and assess civil penalties against violators. Employees or job applicants may also bring their own court actions.

# DERECHOS DEL EMPLEADO

## LEY PARA LA PROTECCIÓN DEL EMPLEADO

### CONTRA LA PRUEBA DEL POLÍGRAFO

**La Ley Para La Protección del Empleado contra la Prueba de Polígrafo le prohíbe a la mayoría de los empleadores del sector privado que utilice pruebas con detectores de mentiras durante el período de pre-empleo o durante el servicio de empleo.**

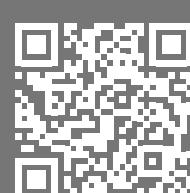

- PROHIBICIONES** Generalmente se le prohíbe al empleador que le exija o requiera a un empleado o a un solicitante a un trabajo que se someta a una prueba con detector de mentiras, y que despida, discipline, o discrimine de ninguna forma contra un empleado o contra un aspirante a un trabajo por haberse negado a someterse a la prueba o por haberse acogido a otros derechos establecidos por la Ley.
- EXENCIONES** Esta Ley no afecta a los empleados de los gobiernos federal, estatales y locales. Tampoco se aplica a las pruebas que el Gobierno Federal les administra a ciertos individuos del sector privado que trabajan en actividades relacionadas con la seguridad nacional.
- La Ley permite la administración de pruebas de polígrafo (un tipo de detector de mentiras) en el sector privado, sujeta a ciertas restricciones, a ciertos aspirantes para empleos en compañías de seguridad (vehículos blindados, sistemas de alarma y guardias). También se les permite el uso de éstas a compañías que fabrican, distribuyen y dispensan productos farmacéuticos.
- La Ley también permite la administración de estas pruebas de polígrafo, sujeta a ciertas restricciones, a empleados de empresas privadas que estén bajo sospecha razonable de estar involucrados en un incidente en el sitio de empleo (tal como un robo, desfalco, etc.) que le haya ocasionado daños económicos al empleador.
- La Ley no substituye ninguna provisión de cualquier otra ley estatal o local ni tampoco a tratos colectivos que sean más rigurosos con respecto a las pruebas de polígrafo.
- DERECHOS DE LOS EXAMINADOS** En casos en que se permitan las pruebas de polígrafo, éstas deben ser administradas bajo una cantidad de normas estrictas en cuanto a su administración y duración. Los examinados tienen un número de derechos específicos, incluyendo el derecho de advertencia por escrito antes de someterse a la prueba, el derecho a negarse a someterse a la prueba o a descontinuarla, al igual que el derecho a negarse a que los resultados de la prueba estén al alcance de personas no autorizadas.
- CUMPLIMIENTO** El/La Secretario(a) de Trabajo puede entablar pleitos para impedir violaciones y puede imponer penas pecuniarias civiles contra los violadores. Los empleados o solicitantes a empleo también tienen derecho a entablar sus propios pleitos en los tribunales.

# YOUR RIGHTS UNDER USERRA

## THE UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

### REEMPLOYMENT RIGHTS

You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:

- ★ you ensure that your employer receives advance written or verbal notice of your service;
- ★ you have five years or less of cumulative service in the uniformed services while with that particular employer;
- ★ you return to work or apply for reemployment in a timely manner after conclusion of service; and
- ★ you have not been separated from service with a disqualifying discharge or under other than honorable conditions.

If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you had not been absent due to military service or, in some cases, a comparable job.

### RIGHT TO BE FREE FROM DISCRIMINATION AND RETALIATION

If you:

- ★ are a past or present member of the uniformed service;
- ★ have applied for membership in the uniformed service; or
- ★ are obligated to serve in the uniformed service;

then an employer may not deny you:

- ★ initial employment;
- ★ reemployment;
- ★ retention in employment;
- ★ promotion; or
- ★ any benefit of employment

because of this status.

In addition, an employer may not retaliate against anyone assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that person has no service connection.

The rights listed here may vary depending on the circumstances. The text of this notice was prepared by VETS, and may be viewed on the internet at this address: <http://www.dol.gov/vets/programs/userra/poster.htm>. Federal law requires employers to notify employees of their rights under USERRA, and employers may meet this requirement by displaying the text of this notice where they customarily place notices for employees.

# **U.S. DEPARTMENT OF LABOR**

The purpose of the discussion below is to advise contractors which are subject to the Walsh-Healey Public Contracts Act or the Service Contract Act of the principal provisions of these acts.

## **WALSH-HEALEY PUBLIC CONTRACTS ACT**

**General Provisions**—This act applies to contracts which exceed or may exceed \$10,000 entered into by any agency or instrumentality of the United States for the manufacture or furnishing of materials, supplies, articles, or equipment. The act establishes minimum wage, maximum hours, and safety and health standards for work on such contracts, and prohibits the employment on contract work of convict labor (unless certain conditions are met) and children under 16 years of age. The employment of homeworkers (except homeworkers with disabilities employed under the provisions of Regulations, 29 CFR Part 525) on a covered contract is not permitted.

In addition to its coverage of prime contractors, the act under certain circumstances applies to secondary contractors performing work under contracts awarded by the Government prime contractor.

All provisions of the act except the safety and health requirements are administered by the Wage and Hour Division.

**Minimum Wage**—Covered employees must currently be paid not less than the Federal minimum wage established in section 6(a)(1) of the Fair Labor Standards Act.

**Overtime**—Covered workers must be paid at least one and one-half times their basic rate of pay for all hours worked in excess of 40 a week. Overtime is due on the basis of the total hours spent in all work, Government and non-Government, performed by the employee in any week in which covered work is performed.

**Child Labor**—Employers may protect themselves against unintentional child labor violations by obtaining certificates of age. State employment or age certificates are acceptable.

**Safety and Health**—No covered work may be performed in plants, factories, buildings, or surroundings or under work conditions that are unsanitary or hazardous or dangerous to the health and safety of the employees engaged in the performance of the contract. The safety and health provisions of the Walsh-Healey Public Contracts Act are administered by the Occupational Safety and Health Administration.

**Posting**—During the period that covered work is being performed on a contract subject to the act, the contractor must post copies of Notice to Employees Working on Government Contracts in a sufficient number of places to permit employees to observe a copy on the way to or from their place of employment.

**Responsibility for Secondary Contractors**—Prime contractors are liable for violations of the act committed by their covered secondary contractors.

## **SERVICE CONTRACT ACT**

**General Provisions**—The Service Contract Act applies to every contract entered into by the United States or the District of Columbia, the principal purpose of which is to furnish services in the United States through the use of service employees. Contractors and subcontractors performing on such Federal contracts must observe minimum wage and safety and health standards, and must maintain certain records, unless a specific exemption applies.

**Wages and Fringe Benefits**—Every service employee performing any of the Government contract work under a service contract in excess of \$2,500 must be paid not less than the monetary wages, and must be furnished the fringe benefits, which the Secretary of Labor has determined to be prevailing in the locality for the classification in which the employee is working or the wage rates and fringe benefits (including any accrued or prospective wage rates and fringe benefits) contained in a predecessor contractor's collective bargaining agreement. The wage rates and fringe benefits required are usually specified in the contract but in no case may employees doing work necessary for the performance of the contract be paid less than the minimum wage established in section 6(a)(1) of the Fair Labor Standards Act. Service contracts which do not exceed \$2,500 are not subject to prevailing rate determinations or to the safety and health requirements of the act. However, the act does require that employees performing work on such contracts be paid not less than the minimum wage rate established in section 6(a)(1) of the Fair Labor Standards Act.

**Overtime**—The Fair Labor Standards Act and the Contract Work Hours Safety Standards Act may require the payment of overtime at time and one-half the regular rate of pay for all hours work on the contract in excess of 40 a week. The Contract Work Hours Safety Standards Act is more limited in scope than the Fair Labor Standards Act and generally applies to Government contracts in excess of \$100,000 that require or involve the employment of laborers, mechanics, guards, watchmen.

**Safety and Health**—The act provides that no part of the services in contracts in excess of \$2,500 may be performed in buildings or surroundings or under working conditions, provided by or under the control or supervision of the contractor or subcontractor, which are unsanitary or hazardous or dangerous to the health or safety of service employees engaged to furnish the services. The safety and health provisions of the Service Contract Act are administered by the Occupational Safety and Health Administration.

**Notice to Employees**—On the date a service employee commences work on a contract in excess of \$2,500, the contractor (or subcontractor) must provide the employee with a notice of the compensation required by the act. The posting of the notice (including any applicable wage determination) contained on the reverse in a location where it may be seen by all employees performing on the contract will satisfy this requirement.

**Notice in Subcontracts**—The contractor is required to insert in all subcontracts the labor standards clauses specified by the regulations in 29 CFR Part 4 for Federal service contracts exceeding \$2,500.

**Responsibility for Secondary Contractors**—Prime contractors are liable for violations of the act committed by their covered secondary contractors.

---

**Other Obligations**—Observance of the labor standards of these acts does not relieve the employer of any obligation he may have under any other laws or agreements providing for higher labor standards.

**Additional Information**—Additional Information and copies of the acts and applicable regulations and interpretations may be obtained from the nearest office of the Wage and Hour Division or the national office in Washington, D.C. Information pertaining to safety and health standards may be obtained from the nearest office of the Occupational Safety and Health Administration or the national office in Washington, D.C.

# EMPLOYEE RIGHTS UNDER THE FAIR LABOR STANDARDS ACT

## FEDERAL MINIMUM WAGE

**\$7.25** PER HOUR

BEGINNING JULY 24, 2009

The law requires employers to display this poster where employees can readily see it.

### OVERTIME PAY

At least 1½ times the regular rate of pay for all hours worked over 40 in a workweek.

### CHILD LABOR

An employee must be at least 16 years old to work in most non-farm jobs and at least 18 to work in non-farm jobs declared hazardous by the Secretary of Labor. Youths 14 and 15 years old may work outside school hours in various non-manufacturing, non-mining, non-hazardous jobs with certain work hours restrictions. Different rules apply in agricultural employment.

### TIP CREDIT

Employers of “tipped employees” who meet certain conditions may claim a partial wage credit based on tips received by their employees. Employers must pay tipped employees a cash wage of at least \$2.13 per hour if they claim a tip credit against their minimum wage obligation. If an employee’s tips combined with the employer’s cash wage of at least \$2.13 per hour do not equal the minimum hourly wage, the employer must make up the difference.

### NURSING MOTHERS

The FLSA requires employers to provide reasonable break time for a nursing mother employee who is subject to the FLSA’s overtime requirements in order for the employee to express breast milk for her nursing child for one year after the child’s birth each time such employee has a need to express breast milk. Employers are also required to provide a place, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by the employee to express breast milk.

### ENFORCEMENT

The Department has authority to recover back wages and an equal amount in liquidated damages in instances of minimum wage, overtime, and other violations. The Department may litigate and/or recommend criminal prosecution. Employers may be assessed civil money penalties for each willful or repeated violation of the minimum wage or overtime pay provisions of the law. Civil money penalties may also be assessed for violations of the FLSA’s child labor provisions. Heightened civil money penalties may be assessed for each child labor violation that results in the death or serious injury of any minor employee, and such assessments may be doubled when the violations are determined to be willful or repeated. The law also prohibits retaliating against or discharging workers who file a complaint or participate in any proceeding under the FLSA.

### ADDITIONAL INFORMATION

- Certain occupations and establishments are exempt from the minimum wage, and/or overtime pay provisions.
- Special provisions apply to workers in American Samoa, the Commonwealth of the Northern Mariana Islands, and the Commonwealth of Puerto Rico.
- Some state laws provide greater employee protections; employers must comply with both.
- Some employers incorrectly classify workers as “independent contractors” when they are actually employees under the FLSA. It is important to know the difference between the two because employees (unless exempt) are entitled to the FLSA’s minimum wage and overtime pay protections and correctly classified independent contractors are not.
- Certain full-time students, student learners, apprentices, and workers with disabilities may be paid less than the minimum wage under special certificates issued by the Department of Labor.

# DERECHOS DE LOS TRABAJADORES

BAJO LA LEY DE NORMAS JUSTAS DE TRABAJO (FLSA—siglas en inglés)

## SALARIO MÍNIMO FEDERAL

**\$7.25** POR HORA

A PARTIR DEL 24 DE JULIO DE 2009

La ley exige que los empleadores exhiban este cartel donde sea visible por los empleados.

### PAGO POR SOBRETIEMPO

Por lo menos tiempo y medio (1½) de la tasa regular de pago por todas las horas trabajadas en exceso de 40 en una semana laboral.

### TRABAJO DE MENORES DE EDAD

El empleado tiene que tener por lo menos 16 años para trabajar en la mayoría de los trabajos no agrícolas y por lo menos 18 años para trabajar en los trabajos no agrícolas declarados peligrosos por la Secretaría de Trabajo. Los menores de 14 y 15 años pueden trabajar fuera del horario escolar en varias ocupaciones que no sean de manufactura, de minería, y que no sean peligrosas con ciertas restricciones al horario de trabajo. Se aplican distintos reglamentos al empleo agrícola.

### CRÉDITO POR PROPINAS

Los empleadores de “empleados que reciben propinas” que cumplan con ciertas condiciones, pueden reclamar un crédito de salario parcial basado en las propinas recibidas por sus empleados. Los empleadores les tienen que pagar a los empleados que reciben propinas un salario en efectivo de por lo menos \$2.13 por hora si ellos reclaman un crédito de propinas contra su obligación de pagar el salario mínimo. Si las propinas recibidas por el empleado combinadas con el salario en efectivo de por lo menos \$2.13 por hora del empleador no equivalen al salario mínimo por hora, el empleador tiene que compensar la diferencia.

### MADRES LACTANTES

La FLSA exige que los empleadores le proporcionen un tiempo de descanso razonable a la empleada que sea madre lactante y que esté sujeta a los requisitos de sobretiempo de la FLSA, para que la empleada se extraiga leche manualmente para su niño lactante por un año después del nacimiento del niño, cada vez que dicha empleada tenga la necesidad de extraerse leche. A los empleadores también se les exige que proporcionen un lugar, que no sea un baño, protegido de la vista de los demás y libre de la intrusión de los compañeros de trabajo y del público, el cual pueda ser utilizado por la empleada para extraerse leche.

### CUMPLIMIENTO

El Departamento tiene la autoridad de recuperar salarios retroactivos y una cantidad igual en daños y perjuicios en casos de incumplimientos con el salario mínimo, sobretiempo y otros incumplimientos. El Departamento puede litigar y/o recomendar un enjuiciamiento criminal. A los empleadores se les pueden imponer sanciones pecuniarias civiles por cada incumplimiento deliberado o repetido de las disposiciones de la ley del pago del salario mínimo o de sobretiempo. También se pueden imponer sanciones pecuniarias civiles por incumplimiento con las disposiciones de la FLSA sobre el trabajo de menores de edad. Además, se pueden imponer sanciones pecuniarias civiles incrementadas por cada incumplimiento con el trabajo de menores que resulte en la muerte o una lesión seria de un empleado menor de edad, y tales evaluaciones pueden duplicarse cuando se determina que los incumplimientos fueron deliberados o repetidos. La ley también prohíbe tomar represalias o despedir a los trabajadores que presenten una queja o que participen en cualquier proceso bajo la FLSA.

### INFORMACIÓN ADICIONAL

- Ciertas ocupaciones y ciertos establecimientos están exentos de las disposiciones del salario mínimo, y/o de las disposiciones del pago de sobretiempo.
- Se aplican disposiciones especiales a trabajadores de Samoa Americana, del Estado Libre Asociado de las Islas Marianas del Norte y del Estado Libre Asociado de Puerto Rico.
- Algunas leyes estatales proporcionan protecciones más amplias a los trabajadores; los empleadores tienen que cumplir con ambas.
- Algunos empleadores clasifican incorrectamente a sus trabajadores como “contratistas independientes” cuando en realidad son empleados según la FLSA. Es importante conocer la diferencia entre los dos porque los empleados (a menos que estén exentos) tienen derecho a las protecciones del salario mínimo y del pago de sobretiempo bajo la FLSA y los contratistas correctamente clasificados como independientes no lo tienen.
- A ciertos estudiantes de tiempo completo, estudiantes alumnos, aprendices, y trabajadores con discapacidades se les puede pagar menos que el salario mínimo bajo certificados especiales expedidos por el Departamento de Trabajo.

# NOTICE

## to workers about Unemployment Insurance Benefits

THE POSTING OF THIS NOTICE IS REQUIRED BY THE ILLINOIS UNEMPLOYMENT INSURANCE ACT.

### FILING A CLAIM

The Illinois Unemployment Insurance Act provides for the payment of benefits to eligible unemployed workers and for the collection of employer contributions from liable employers. It is designed to provide living expenses while new employment is sought. Claims should be filed as soon as possible after separation from employment. Claims can be filed online at [www.ides.illinois.gov](http://www.ides.illinois.gov) or at the nearest Illinois Department of Employment Security office to the worker's home. To be eligible for benefits, an unemployed individual must be available for work, able to work and actively seeking work and, in addition, must not be disqualified under any provisions of the Illinois Unemployment Insurance Act.

Each employer shall deliver the pamphlet "What Every Worker Should Know About Unemployment Insurance" to each worker separated from employment for an expected duration of seven or more days. The pamphlet shall be delivered to the worker at the time of separation or, if delivery is impracticable, mailed within five days after the date of the separation to the worker's last known address. Pamphlets shall be supplied by the Illinois Department of Employment Security to each employer without cost.

A claimant may also be entitled to receive, in addition to the weekly benefit amount, an allowance for a non-working spouse or a dependent child or children. The allowance is a percentage of the average weekly wage of the claimant in his or her base period. The weekly benefit amount plus any allowance for a dependent make up the total amount payable.

If, during a calendar week an employee does not work full-time because of lack of work, he or she may be eligible for partial benefits if the wages earned in such calendar week are less than his or her weekly benefit amount. For any such week, employers should provide employees with a statement of "low earnings" which should be taken to their Illinois Department of Employment Security office.

**NOTE:** Illinois unemployment insurance benefits are paid from a trust fund to which only employers contribute. No deductions may be made from the wages of workers for this purpose.

Unemployment insurance information is available from any Illinois Department of Employment Security office. To locate the office nearest you, call 1-800-244-5631 or access the locations though our website at [www.ides.illinois.gov](http://www.ides.illinois.gov).

### BENEFITS

Every claimant who files a new claim for unemployment insurance benefits must serve an unpaid waiting week for which he has filed and is otherwise eligible.

The claimant's weekly benefit amount is usually a percentage of the worker's average weekly wage. The worker's average weekly wage is computed by dividing the wages paid during the two highest quarters of the base period by 26. The maximum weekly benefit amount is a percentage of the statewide average weekly wage. The minimum weekly benefit amount is \$51. The statewide average weekly wage is calculated each year.

### If Your Benefit Year Begins:

*This year between:*

Jan. 1 and March 31

### Your Base Period Will Be:

*Last year between:*

Jan. 1 and Sept. 30 and  
the year before between

In order to be monetarily eligible, a claimant must be paid a minimum of \$1,600 during the base period with at least \$440 of that amount being paid outside the highest calendar quarter.

If you have been awarded temporary total disability benefits under a workers' compensation act or other similar acts, or if you only have worked within the last few months, your base period may be determined differently. Contact your local IDES office for more information.

### REPORTING TIPS

Each employee who receives tips must report these tips to employers on a written statement or on Form UC-51, "Employee's Report of Tips," in duplicate. Employers can furnish this form on request. The report shall be submitted on the day the wages are paid, or not later than the next payday, and shall include the amount of tips received during the pay period.

### TAXATION OF BENEFITS

Unemployment insurance benefits are taxable if you are required to file a state or federal income tax return. You may choose to have federal and/or Illinois state income tax withheld from your weekly benefits. Since benefits are not subject to mandatory income tax withholding, if you do not choose to withhold, you may be required to make estimated tax payments using Internal Revenue Service Form 1040 ES and Illinois Department of Revenue Form IL 1040 ES.
